AFFIDAVIT OF JAY JONES

STATE OF ALABAMA)
)
COUNTY OF LEE)

BEFORE ME, the undersigned authority and Notary Public in and for said County and State at large, personally appeared Jay Jones, who being known to me and being by me first duly sworn on oath deposes and says as follows:

1. My name is Jay Jones. I am over the age of nineteen and competent to make this affidavit. I am the duly elected Sheriff of Lee County, Alabama.

2. I am not personally familiar with the allegations made the basis of the Plaintiff's Complaint. I was not present on May 30, 2005, when Plaintiff was arrested.

3. I state affirmatively that I neither acted, nor caused anyone to act, in such a manner as to deprive the Plaintiff of any right to which he was entitled.

4. It is the policy of the Lee County Sheriff's Department that all inmates confined in the Lee County Detention Center are entitled to a level of health care comparable to that available to citizens in the surrounding community which will ensure their physical and emotion well-being.

5. Medical care rendered to inmates in the Lee County Detention Center will be

delivered under the direction of a licensed health care provider.

6. No health care personnel or Detention Center officer or other employee of the Sheriff's Department will ever summarily or arbitrarily deny an inmate's reasonable request for medical services.

7. Medical, dental, and mental health matters involving clinical judgments are the sole province of the responsible physician, dentist, or psychiatrist or qualified psychologist, respectively.

8. Inmates will be guaranteed access to all diagnostic, laboratory, or other treatment services as directed by the responsible health care authority.

9. Two methods may be utilized by inmates incarcerated in the Lee County Detention Center in order to secure health care services:

a. Verbal Request: An inmate may make a verbal request for emergency medical attention to any member of the Detention Center staff at any time.

b. Written Request: An inmate in need of any type of medical attention may complete an Inmate Request form seeking medical attention and forward it to any member of the Detention Center staff.

10. Requests for medical treatment will be accepted by members of the Detention Center staff at any time.

11. When a request for medical treatment is made to a member of the Detention Center staff, the staff member receiving the request will notify the Shift Supervisor of the inmate's request. It is the Shift Supervisor's responsibility to ensure that the inmate's request is attended to in a prompt and proper manner. Any doubt as to whether an actual need exists for medical treatment shall be resolved in favor of the inmate and medical treatment will be offered.

12. Medical requests of an emergency nature will be handled immediately.

13. As part of the booking process, inmates will be informed of the methods by which they may maintain medical treatment during the booking process.

14. The Detention Center nurse, under the direction of the Detention Center Administrator, is charged with the responsibility of obtaining appointments for inmates with physicians in order that they may receive medical treatment or for scheduling times when the treating physician may attend to health care needs at the Detention Center.

15. All health care rendered to inmates will, at the doctor's discretion, be given privately to the inmate, outside the presence of a Detention Center official. Should the physician request, a Detention Center officer will be present for any and all examinations the treating physician deems appropriate.

16. Internal grievance procedures at the Lee County Detention Facility are available to all inmates. It is the policy of the Lee County Sheriff's Department that inmates are permitted to submit grievances and that each grievance will be acted upon. The inmates are given an Inmate Grievance Form to complete and return to a Lee County Detention Facility staff member for any grievances they may have. Any such grievances are filed in the inmate's jail file. Upon review of Plaintiff's Jail File, I can see that Plaintiff did not file a grievance concerning the allegations made the basis of his Complaint.

17. Attached to the Special Report are true and accurate documents contained in the files of the Lee County Sheriff's Department. I am the custodian of such documents, which were kept by me in the ordinary course of my business.

AFFIDAVIT OF DONNIE SURRETT

STATE OF ALABAMA)
)
COUNTY OF LEE)

BEFORE ME, the undersigned authority and Notary Public in and for said County and State at large, personally appeared Donnie Surret, who being known to me and being by me first duly sworn on oath deposes and says as follows:

1. My name is Donnie Surret. I am over the age of nineteen and competent to make this affidavit. I am employed as a Sergeant for the Lee County Sheriff's Department and serve as an investigator. I have worked in this capacity for 1 year.

2. I state affirmatively that I neither acted, nor caused anyone to act, in such a manner as to deprive the Plaintiff of any right to which he was entitled.

3. On May 30, 2005, I received a call from the United States Marshall's Office informing me that Plaintiff had escaped from the Meriwether County Jail in Georgia and that they had received information that Plaintiff had traveled to an area of Phenix City, which is in Lee County, Alabama.

4. Therefore, I went to Phenix City, Alabama and met with officers of the United States Marshall's and the Phenix City Police Department.

5. The officers from the Phenix City Police Department secured a search warrant for the home at the address of 1502 Fletcher Road, Phenix City, Alabama, in order to search for the Plaintiff.

6. The Phenix City SWAT Team – which is made up of officers from the Russell County Sheriff's Department and the Phenix City Police Department – responded to the situation.

7. The officers from the Lee County Sheriff's Department, Russell County Sheriff's Department, Phenix City Police Department, Phenix City SWAT Team, and U.S. Marshalls Office proceeded to 1502 Fletcher Road, Phenix City, Alabama.

8. When we arrived at 1502 Fletcher Road, I heard someone call out that the Plaintiff was on the second floor of the home and was armed with a gun.

9. Therefore, the SWAT Team went inside to search for the Plaintiff. All the other officers, including me, stayed outside the home. Our duty was to secure the perimeter of the home in case the Plaintiff attempted to flee.

10. At one point, the officers from the SWAT Team came outside and stated that they could not find the Plaintiff. They asked if we had seen the Plaintiff, but we had not. Because we had the perimeter of the home secured, there was no way the Plaintiff could have escaped.

11. So, the SWAT Team members re-entered the home.

12. The next time the SWAT Team members exited the home, they had the Plaintiff in handcuffs.

13. The first time that I saw the Plaintiff on May 30, 2005, was when Plaintiff exited the home in handcuffs with the SWAT officers.

14. The SWAT Team officers informed me that they had had to pull the Plaintiff out of the inner part of a wall, where the Plaintiff was hiding, and he then began fighting, kicking, and punching the officers. ~~The Plaintiff was also armed with a gun.~~ ^{however} The gun was not recovered.

15. I was one of the officers who participated in transporting Plaintiff to the Lee County Jail. Plaintiff had a cut on his eye and nose. Therefore, on the way to the jail, we took Plaintiff by an ambulance service where the paramedics examined Plaintiff's wounds. The paramedics informed us that the Plaintiff did not have any serious injuries. Therefore, Plaintiff was taken to the Jail and processed.

16. I swear to the best of my present knowledge and information that the above statements are true; that I am competent to make this affidavit; and, the above statements are made by drawing from my personal knowledge of the situation.

On 05/30/2005 TF/O R. Myrick received a request from the Meriwether County Georgia Sheriffs Office for the assistance of SERFTF in the apprehension of Patrick Lemuel BASS. BASS was arrested in Meriwether County Georgia by SERFTF on 03/22/2005 on a warrant from Lee County Alabama for manufacturing methamphetamine. On 05/27/2005 BASS escaped the custody of the Meriwether County Jail. BASS assaulted a jailer with a shank, took the jailers keys, and escaped the jail on foot. Colonel C. Smith of the Meriwether County Sheriffs office obtained arrests warrants on BASS for escape and aggravated assault on 05/28/2005.

TF/O R. Myrick and TF/O J. May began travel to Meriwether County Georgia on 05/30/2005 and began interviewing known associates of BASS. Leads were developed that BASS was hiding out at 1502 Fletcher Drive, Phenix City, Alabama. TF/O's R. Myrick, J. May, J. Watson, T. Boggs, T. Smith, K. Early, and DUSM's L. Avery and A. Brock traveled to Phenix City and met with representatives from the Lee County Alabama Sheriffs Office and the Phenix City Alabama Police Department.

Utilizing the information developed by SERFTF the Phenix City Police Department obtained a search warrant for 1502 Fletcher Drive. A safety briefing was conducted providing all officers and deputies with specific assignments for the execution of the search warrant and arrest warrants. The Phenix City PD SWAT made entry into the residence as members of SERFTF and Lee County SO provided perimeter security. As SWAT made entry BASS opened a second story window and looked out on the officers on the perimeter. BASS was holding a shiny object in his hand and once he saw that the officers were below him he disappeared from the window. All occupants of the residence were secured by SWAT but BASS could not be located. The owner of the residence, Danny Worthy, advised SWAT that BASS was in the residence and he was armed with a small, shiny handgun. A second search was conducted and BASS was located hiding inside of an interior wall in the same room where he had opened the window. After a brief struggle BASS was apprehended by the SWAT members. No weapon was recovered. BASS was transported to the Lee County Alabama Jail by Lee County Sheriffs Deputies.

This case may be closed.

This 39 YOWM has a "spider bite" to the left forearm. He is on Septra per the Staph protocol. He has a piece of wooden stick in his right wrist over the ulnar styloid. He says it has been in there for quite a while but now it is having some pus draining. It is getting a little tender.

Physical Exam: Alert, comfortable gait, body posture, and spontaneous arm and hand movements with good range of motion exhibited. He has an inflamed place on the ulnar aspect of the left forearm about shaft. There is no fluctuance; it is just red and inflamed. It looks like it is improving as he says it is. On the right wrist at the ulnar styloid there is a 1.5 cm foreign body palpated under the skin. It is open at one end it looks like it is coming to head.

Impression: Foreign body right arm; probable Staph infection.

Plan: Septra DS b.i.d. for ten days. We will see him back and take out the foreign body next week if it doesn't come out on its own.

(C for fb removed, 1.5 cm)

This 39 YOWM is back to have a foreign body removed from his right wrist. It has been there since about 1990. It has been uncomfortable. It has been draining some pus.

Physical Exam: The foreign body previously described is there at the ulnar styloid and distal ulna.**Impression:** Foreign body of the right wrist.**Plan:** The area is cleansed and prepped and Isopropyl alcohol. Sterile no-touch technique is used. Local anesthesia is achieved by infiltration with 1% Xylocaine with Epinephrine. A #15 blade scalpel was used to make an incision over the foreign body. The fibrous capsule around the foreign body is opened with sharp Iris scissors and a one inch foreign body is removed. It appears to be a piece of treated wood. The foreign body cavity is irrigated with sterile saline. It was just left open. Recheck by me in one week prn. Recheck by the nurse in a couple of days.
